

Introduction

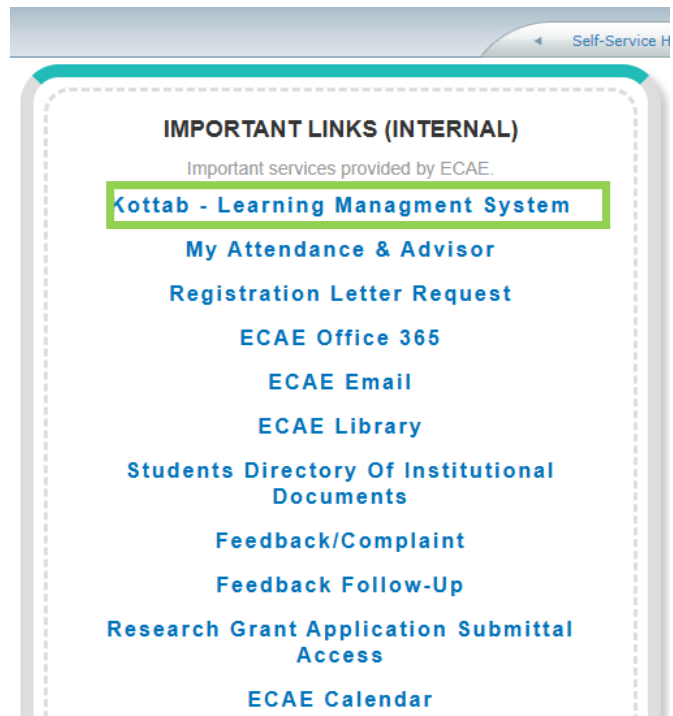

Student Portal is a central online platform that provides access to essential student services and academic resources. This guide explains how to access the portal and describes the available services to help students complete common tasks quickly and efficiently.

1. Visit the **Emirates College for Advanced Education (ECAE)** official website <https://www.ecae.ac.ae/en/>.
2. Click the **Login** button located in the top-right corner of the page to open the drop-down menu.
3. Select **ECAE Portal** from the menu.
4. **OR** simply visit <https://portal.ecae.ac.ae/>
5. Sign in using your **ECAE username and password**.
6. If you are unable to access the portal, your password may have expired. Reset your password through **office.com**, then try signing in again. Refer to the **Expired Password Reset Guide** for detailed instructions.
7. Choose Students Tab

Kottab Learning Management System

The Kottab Learning Management System (LMS) is the primary online learning platform used by ECAE. Students can access course materials, submit assignments, complete quizzes, participate in discussions, and view announcements from their instructors.

How to access:

Click Kottab Learning Management System from the Important Links (Internal) section on the Right-side panel of ECAE Portal.

OR

Simply visit <https://lms.ecae.ac.ae/>

Sign in using your ECAE username and password

1. If you are unable to access the Kottab, your password may have expired. Reset your password through **office.com**, then try signing in again. Refer to the **Expired Password Reset Guide** for detailed instructions.
