

Introduction

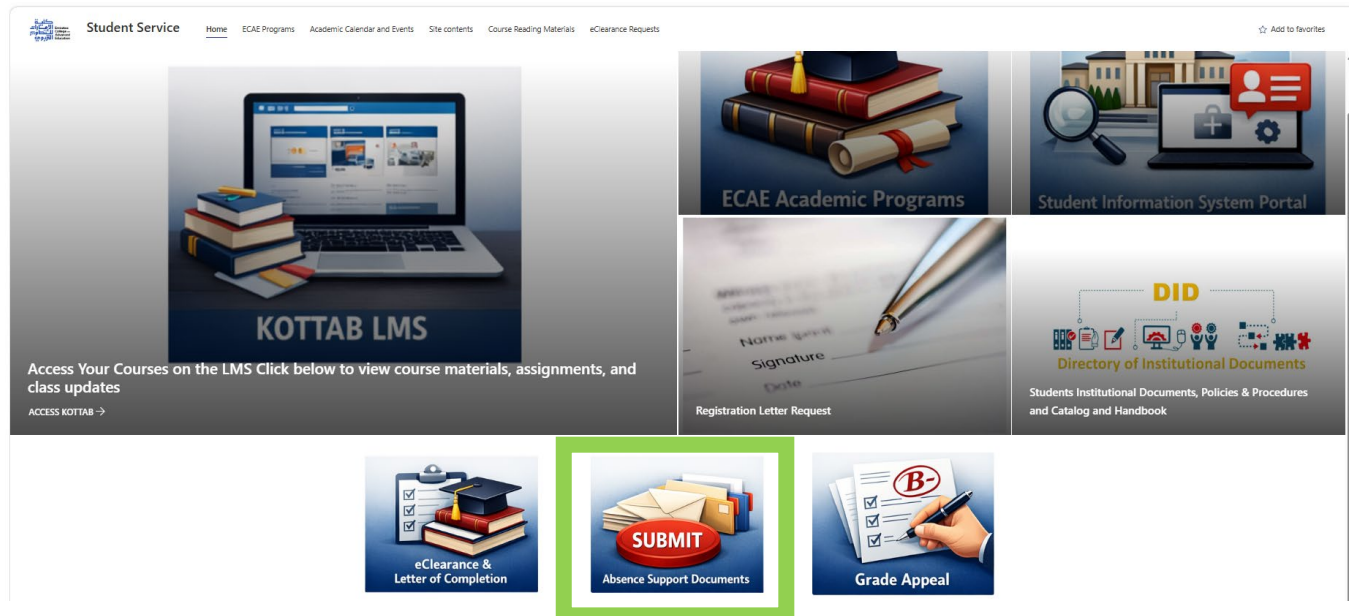

Student Portal is a central online platform that provides access to essential student services and academic resources. This guide explains how to access the portal and describes the available services to help students complete common tasks quickly and efficiently.

1. Visit the **Emirates College for Advanced Education (ECAE)** official website <https://www.ecae.ac.ae/en/>
2. Click the **Login** button located in the top-right corner of the page to open the drop-down menu.
3. Select **ECAE Portal** from the menu.
4. **OR** simply visit <https://portal.ecae.ac.ae/>
5. Sign in using your **ECAE username and password**.
6. If you are unable to access the portal, your password may have expired. Reset your password through **office.com**, then try signing in again. Refer to the **Expired Password Reset Guide** for detailed instructions.
7. Choose Students Tab

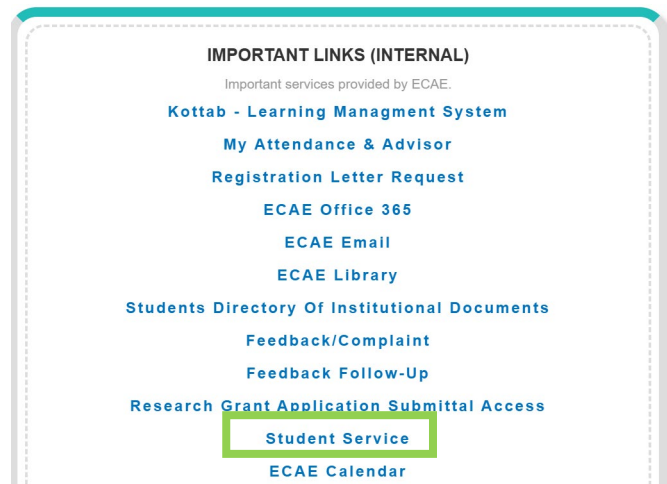

Absence Support Documents

The Absence Support Documents service enables students to submit supporting documents related to approved absences, such as medical certificates or other official documentation.

How to access:

Click **Student Service** from the Important Links (Internal) section on the Right-side panel of ECAE Portal to view the Absence Support Documents, fill and complete.

OR

Simply visit <https://ecae.sharepoint.com/sites/StudentService> homepage, click the **Absence Support Documents**.
