

Introduction

Student Portal is a central online platform that provides access to essential student services and academic resources. This guide explains how to access the portal and describes the available services to help students complete common tasks quickly and efficiently.

1. Visit the **Emirates College for Advanced Education (ECAE)** official website <https://www.ecae.ac.ae/en/>.
2. Click the **Login** button located in the top-right corner of the page to open the drop-down menu.
3. Select **ECAE Portal** from the menu.
4. **OR** simply visit <https://portal.ecae.ac.ae/>
5. Sign in using your **ECAE username and password**.
6. If you are unable to access the portal, your password may have expired. Reset your password through **office.com**, then try signing in again. Refer to the **Expired Password Reset Guide** for detailed instructions.
7. Choose Students Tab

My Grades

The **My Grades** section enables students to view their academic results for completed courses. Depending on their permissions, students may be able to view grades for assignments, assessments, and final course results.

How to access:

From the left navigation menu, under **Students**, click **My Grades**.

***Note:** If the message "My Grades is only available for authorized users." appears, access to this feature may not yet be enabled for your account. Contact the Student Services or IT Help Desk if you believe you should have access.*
