

Introduction

Student Portal is a central online platform that provides access to essential student services and academic resources. This guide explains how to access the portal and describes the available services to help students complete common tasks quickly and efficiently.

1. Visit the **Emirates College for Advanced Education (ECAE)** official website <https://www.ecae.ac.ae/en/>.
2. Click the **Login** button located in the top-right corner of the page to open the drop-down menu.
3. Select **ECAE Portal** from the menu.
4. **OR** simply visit <https://portal.ecae.ac.ae/>
5. Sign in using your **ECAE username and password**.
6. If you are unable to access the portal, your password may have expired. Reset your password through **office.com**, then try signing in again. Refer to the **Expired Password Reset Guide** for detailed instructions.
7. Choose Students Tab

Request a Transcript

The **Request a Transcript** service allows students to submit a request for an official academic transcript issued by ECAE. Official transcripts may be required for employment, further education, scholarships, or other official purposes.

How to access:

From the left navigation menu, under **Students**, click **Request a Transcript**, complete the required information, and submit your request.
